Motion Designer
Specialist

Profile

Over 10 years of experience fusing motion design, branding and storytelling. I deliver pixel-perfect animations and cohesive brand identities for agencies, studios and fundraising campaigns worldwide. Curious by nature, I constantly explore new tools, optimize workflows and thrive in cross-cultural teams to create clear, engaging visuals with real impact.

Core Competencies

- Motion Design & Animation (2D/3D)
- Brand Identity & Visual Strategy
- Post-Production & Compositing
- UI Motion (Lottie, Rive, Spline)
- Conference High-Resolution & LED Panel Content
- Workflow Optimization & Team Collaboration

Language Skills

Portuguese 
French 
English 

Tools: After Effects · Premiere · Audition · Photoshop · Illustrator · Cinema4D · Autodesk · G-Teams · Loom · ChatGPT · VEO3

Professional Experience

Freelance Motion Designer & Branding Consultant

Remote & Brazil | 2011–Present

- Crafted animated content for agencies, startups and directors across Brazil, US and Europe
- Contributed R&D pipelines and compositing techniques on major, award-winning projects (Minions 3 development, Cannes-winning “Impossible Journey”)
- Produced high-res visuals for large LED installations at international events and conventions
- Supported two electoral campaigns and multimillion-dollar fundraising efforts with strategic branded content
- Advised studios on workflow improvements, boosting team efficiency and creative output

Camera 1 — Motion Designer

Brazil | 2017–2019

- Produced high-impact commercials for major accounts (Millium, large corporate clients), balancing in-house and external campaigns)

Signia 3D — Motion & Post-Production Designer

Brazil | 2016

- Produced promo and product-review videos, ensuring consistent visual quality from 3D render to final composite

Videobox Studio — Motion Designer

Brazil | 2013–2014

- Created statewide TV commercials and institutional videos that reinforced brand identity and messaging

Education

Bachelor in Design – Visual Programming - Univille (Brazil) – Full scholarship (ProUni)

Branding Strategy - L'École de Design Nantes Atlantique (France) – Full scholarship (Science Without Borders)

Concept Art & Art History - Projeto Talentos (Brazil) – Private scholarship

Intrests

- Design · Film & Animation · Concept Art · Outdoor Adventures (camping, trekking, climbing) · Martial Arts (capoeira, jiu-jitsu blue belt) · Yoga & Meditation · Personal Projects: KombTrip board game & restoring a 1988 VW Kombi.
